

Middle East Legal Update

As the geographic and economic lynchpin of the Middle East, North Africa and South Asia, Dubai is seen by worldwide investors as a critical element of their operations and as the ideal location from which to launch new initiatives.

You are invited to join Reed Smith and EY/AHB for an exclusive presentation by the office of Dubai Foreign Direct Investment (Dubai FDI) followed by a lively panel discussion on the latest investment trends and opportunities in the Middle East. The discussion will focus on international trade, banking export and financing regulation, and recent developments in Europe impacting the Middle East.

Speakers will include:

- **Ibrahim Ahli**, Director at Dubai FDI
- **Donald Moore**, Middle East Corporate and Transactions Partner at Reed Smith
- **Dr. Simon G. Grieser**, Finance Partner at Reed Smith
- **Carmen Delpech**, Finance Associate at Reed Smith
- **Hans-Peter Busson**, Global ECA Coordination Leader EY/AHB
- **Dr. Sebastian Hofert von Weiss**, Head of Project Finance EY/AHB

The event will be of interest to senior executives and legal and compliance teams in large corporates who have existing business in the Middle East or have an interest in entering the region.

Reed Smith is a proud partner of Dubai FDI. Dubai FDI, part of the Dubai Department of Economic Development, provides essential information and invaluable support to foreign businesses looking to invest in Dubai's thriving economy and take advantage of its strategic importance.
