

Middle East Legal Update

As the geographic and economic lynchpin of the Middle East, North Africa and South Asia, Dubai is seen by worldwide investors as a critical element of their operations and as the ideal location from which to launch new initiatives.

Please save the date to join Reed Smith and EY/AHB for an exclusive presentation by the office of Dubai Foreign Direct Investment followed by a lively panel discussion on the latest investment trends and opportunities in the Middle East.

You will receive your invitation closer to the date of the event.

Reed Smith is a proud partner of Dubai FDI. Dubai FDI, part of the Dubai Department of Economic Development, provides essential information and invaluable support to foreign businesses looking to invest in Dubai's thriving economy and take advantage of its strategic importance.
