IN THE SUPREME COURT OF THE STATE OF KANSAS

Administrative Order

FILED

2020-PR-32

APR 0 3 2020

Order Amending 2020-PR-016

DOUGLAS T. SHIMA CLERK OF APPELLATE COURTS

This order complements Administrative Orders 2020-PR-13 and 2020-PR-15, amends 2020-PR-016, and incorporates the provisions in 2020-PR-024. It continues actions of the Kansas Supreme Court aimed at mitigating local or statewide outbreaks of the coronavirus COVID-19 and protecting the health and safety of the public and court personnel while allowing access to judicial functions.

These measures became necessary after the World Health Organization declared the COVID-19 outbreak a pandemic on March 11, 2020. The next day, Kansas Governor Laura Kelly declared a state of disaster emergency. Then, on March 13, 2020, President Donald Trump declared a national emergency. These declarations warrant extraordinary measures to mitigate COVID-19 spread.

Due to the outbreak of COVID-19, an emergency exists that poses a threat of imminent and potentially lethal harm to those who may have contact with a carrier of COVID-19. Rapid escalation of the emergency required the comprehensive measures we put in place on March 18, 2020, in 2020-PR-016. Our March 18, 2020 order and this order are necessary to protect the health and safety of Kansans, including our judicial branch employees and judges. While 2020-PR-016 did not contain an expiration date, the Kansas Supreme Court announced it would review the order after two weeks to determine if the order should stay in place and, if so, whether amendments were warranted.

The next day, 2020 House Substitute for SB 102 was published in the Kansas Register (39 Kan. Reg. 304). Further, many local public health officials put in place stay home orders and on March 28, 2020, Governor Laura Kelly issued 2020 EO 20-16, which imposed a statewide stay home order that became effective March 30, 2020. Further, many county commissions across Kansas have closed or are considering closing courthouses. These events and circumstances lead me as the Chief Justice of the Kansas Supreme Court, in consultation with the members of the Kansas Supreme Court, to order the continuation of 2020-PR-016, as amended by this order. This remains necessary to secure the health and safety of court users, staff and judicial officers.

It is ordered:

- 1. This order supersedes any portion of a district court order or prior order of this court that conflicts with this order.
- 2. Except as stated in paragraph 17, this order does not limit the conduct of litigation—including such matters as discovery or mediation—that does not involve a judge or judicial employee.
- 3. All jury trials, both civil and criminal, scheduled to begin in any Kansas state court on or after March 18, 2020, are continued until further order of the Chief Justice. Questions concerning prospective scheduling of hearing or trial dates should be directed to the assigned judge.
- 4. Civil and criminal jury trials in progress on March 18, 2020, may continue to conclusion, in the discretion of the assigned judge. The assigned judge should encourage jurors to follow Centers for Disease Control and Prevention and Kansas Department of Health and Environment guidance on reducing the spread of COVID-19 to the extent possible. The assigned judge should consult with his or her Chief Judge regarding personnel required to complete the jury trial in progress.
- 5. As of March 19, 2020, when 2020 House Substitute for Senate Bill No. 102 became effective upon its publication, all deadlines and time limitations to bring a defendant to trial established by K.S.A. 22-3402 and its amendments are suspended until further order of the Chief Justice.
- 6. All Kansas district and appellate courts, administrative offices, the Offices of the Clerks of the District and Appellate Courts, and court services offices must, at a minimum, perform essential functions until further order.
